LEGISLATIVE COUNSEL'S DIGEST

AB 341, Achadjian. Financial affairs: reports.

Existing law requires the officer of each local agency, who has charge of the financial records of the local agency, to furnish to the Controller a report of all the financial transactions of the local agency during the next preceding fiscal year within 90 days of the close of each fiscal year, or within 110 days if the report is furnished in an electronic format. Existing law requires the report to include, among other things, the annual compensation of a local agency's elected officials, officers, and employees, as specified.

This bill would require the report to contain underlying data from audited financial statements, as specified, if this data is available. This bill would extend the amount of time in which the report is required to be furnished to the Controller from 90 days to seven months. The bill would also require information regarding the annual compensation of a local agency's elected officials, officers, and employees, as specified, to be submitted to the controller no later than April 30th after the end of the calendar year.

Existing law requires the Controller to, among other things, compile and publish reports of the financial transactions of each county, city, and special district, as specified, on or before August 1, September 1, and October 1, respectively, of each year.

This bill would instead require the Controller to compile and publish reports of the financial transactions of each county, city, and special district on or before November 1 of each year.

The people of the State of California do enact as follows:

The reports shall include the appropriations limits and the total annual appropriations subject to limitation of the counties, cities, and special districts. The reports to the Controller shall be made in the form and manner prescribed by the Controller.

(b) The Controller shall compile and publish reports of the financial transactions of each county, city, and special district pursuant to subdivision (a) on or before November 1 of each year following the end of the annual reporting period. The Controller shall make data collected pursuant to this subdivision available upon request to the Legislature and its agents, on or before April 1 of each year.
